

## **2008-2009 Tutor Bank**

The tutor bank is a list of teachers and other community members that would be interested in tutoring students. Teachers within the Ball-Chatham District will have a ‘\*’ after their names. **\*\* Volunteer tutor** means that tutor might be willing to tutor at no cost for families that can not afford to pay. All tutors participating in the tutor bank list must have a Volunteer Criminal Record Check on file at the District Office.

**The district does not recommend any one tutor over another.  
This is simply a list for your convenience.**

If you would like to be added to the tutor bank list, please contact Jessica at the District Office:

Phone: 483-2416
